January's Program: Calvin Winder, designing and building a Boeing 777

President's Message - January, 2019

those who had been flying, warmed their hands and starting packing up the planes. It was a fun time, but we aren't crazy. Home to a nice warm house by 8:00

So, if you have an inclination to go flying on the first day of a new year, you know where to find us.

I want to remind you that the Jeffco Auction is on Saturday, January 26. It is a one day event. Registration is happening now. You will be able to drop off your airplanes on Friday or Saturday morning. New at the Auction is a silent auction. We hope this will generate some avid interest. Smiley will be cooking good stuff as well.

In addition to the changes south of the field in Sterling Ranch, I invite you to go over to the Chatfield office (where sail boats are stored), go inside and take a look at the renderings leaning up against the wall. These are detailed drawings of Chatfield State Park after the water level is raised. I was in getting new permits for my truck and car and noticed these. Pretty cool. Gives you a whole new perspective on what is happening at Chatfield.

Enough for now. As I write this, I still have some Christmas shopping to do.

Merry Christmas and Happy New Year to All.

Peter Thompson

President

Jeffco Aeromodlers

Jeffco Membership:

Happy New Year. It is likely this letter will hit you after I. C. Carb Day on January 1. It is always a fun event, although early and likely cold. I have been told that in the day, the pilots would set their engines/planes near the exhaust of their cars to heat the glow engines so they would start. First flyer up after 7:00AM (or sunrise) would win. Mike Boyer, past Jeffco President would hand out ice cube awards. Worked great until you brought them inside. Tom Hooser, also a past President, and his wife Patti would provide coffee and green chili. Good days for sure. Today, coffee and Santiago's breakfast (1/2 and 1/2) burritos and good friends make the day. Even though it was cold, the sun came up on schedule and

It's that time again! DUES, DUES

All 2018 memberships expired on December 31 with the club's new fiscal year. Membership invoices were mailed out to all current members in early December - as a reminder it's time to pay your dues. You will be able to renew and pay online. If you want to renew online, go to the club website at www.jeffcoeromodlers.com/join
If you have any questions, please contact Lora Knowlton, Membership Coordinator at 303-973-1209 or CoCoug@aol.com.

December 5, 2018 Jefco Aeromod'lers R/C Club Business Meeting Minutes

The meeting was called to order by President Peter Thompson at 7:10 PM at the Alice Terry Elementary School. There were approximately 24 members in attendance.

President's Comments: President Thompson began the meeting by welcoming the new Board of Directors. He pointed out that several members had taken on different positions on the Board, and welcomed Josh Walsh as a new member of the Board. President Thompson thanked Steve Rosselot who is stepping down from his position as Safety Officer. Steve has been the safety officer since December of 2014.

• **Amazon Smile donation to AMA.** Bud Glass pointed out that the AMA Foundation can be named as the recipient of donations from your Amazon Smile account. You can set up your Amazon Smile account and name the non-profit of your choice to receive a portion of your purchase price. The Amazon Smile Account prices and web experience is identical to a regular Amazon account; the donation is paid for by Amazon. Bud went on to list several of the impressive programs under the AMA Foundation's purview.

Program: Larry Fagan presented the "Renegades Promotional Video" that he downloaded from the internet. Dave Gianakos, who contributed some of the still photos for the video, had suggested showing it at a Club meeting. This group, The Rocky Mountain Renegades Air Show Team, overflew our Warbirds and Classics Over Denver event this year. The video had exciting views from the cockpit during some of their airshow performances. All of the planes flown by the group are built from Van's Aircraft RV designs kits. The video was well received.

New Business:

• **Auction Promo and Sign up.** President Thompson encouraged everyone to volunteer for the upcoming auction January 25 - 26, 2019. He went over several different duties from "I'm just here to help" to "runner". Terry Hock stated that online volunteering is now available. Also, online registration will be available this coming Saturday, December 8. A signup sheet was passed around.

Shea Homes Update: Bruce Ream reported that he and John Park met with Shea Homes the previous week. Bruce and John clarified the setup of an escrow account for engineering work for the new runway, and got to know the new contacts that they are now dealing with at Shea Homes.

Bruce went on to present a timetable for Shea Homes construction progress. Shea Homes has actually started work this week on their property. They plan on constructing the infrastructure (roads, sewer and water) this winter and into the spring. In June or July they plan to start construction on their model homes.

Bruce projected maps of the new construction showing the rerouting of the south access to the park from Titan Road. The new road will proceed north from the newly installed roundabout on Titan Road about a mile east of Roxborough Park Road and proceed to the south Park entrance. He pointed out how the flight path of the new runway will not encroach on the subdivision or the new Community Center. Bruce feels Shea Homes have bent over backwards to protect their houses and our field from as much conflict as possible.

The probable construction of our new runway will not be until late fall of 2019 at the earliest, in an effort to not conflict with the prime summer flying season.

New Business (Cont):

• **Auction Promo and Sign up (Cont):** Lora Knowlton announced the auction will be a one day affair. Merchandise can be checked in on Friday, January 25 from noon to 5:00 PM and Saturday from 7:00 to 11:00 AM. New this year is a silent auction (8:00 - 10:00 AM) in combination with the live auction (10:30 to close). After the Silent Auction is over, then Buy-It-Now purchases will be allowed. Lora passed out auction flyers to be dropped off at area hobby shops.

Terry Hock stated the registration fee will be \$10.00 online, \$15.00 at the door. The online registration will remain open until January 18. This should allow plenty of time for sellers to post their merchandise before the auction. Online volunteering is also available.

Lora pointed out that Smiley will be supplying lunch only on Saturday. Refer to the auction flyer which is also posted on the website for complete information.

Secretary's Report: Terry Hock motioned to accept the November 7, 2018, general meeting minutes as published in the December newsletter. The motion was seconded by Steve McGill and carried.

Treasurer's Report: - Lora Knowlton reported on financials dated November 29. She reported that income from memberships is very close to the budgeted amount for the year, and she doesn't expect additional renewals before January 1. Overall income for the year is down, primarily due to the 2018 auction bringing in less than was expected. Ron Ratcliffe motioned to accept the treasurer's report. The motion was seconded by Steve McGill and carried.

Committee Reports:

• **Membership Report:** - Lora Knowlton distributed membership invoices and information verification forms to those in attendance. She will mail to those not in attendance. Lora will take payments (check or cash) from those wishing to renew tonight, or you can mail in your check later. Verify that all the information on your information verification form is correct. Those wishing

December 5, 2018 Jefco Aeromod'lers R/C Club Business Meeting Minutes (Cont)

Committee Reports (Cont):

- **Membership Report (Cont):** to pay by credit card can do so on the website. Click on the membership tab, then click on the "renewal" box at the bottom of the page. Lora will receive a copy of the transaction so that she can update the membership files.
- **Field Maintenance & Runways:** – Bud Glass reports that he was waiting by the south entrance shack for Universal Tractor to bring our tractor back when he spotted a raptor land on one of the perches. He flew off after a while, and then circled around to land on the perch again. While this was going on a coyote came across the entrance road and stole a dead prairie dog from some magpies. President Thompson mentioned pictures of the raptor were published in December's newsletter. Bud reports the tractor is back with a new seal and is ready for the first snowfall.
- **FPV:** - Bud Glass reports that with the approval of FPV racing at the field he will reconvene the FPV drone racing committee. Bud stated that signage and interference are two things that will be of high priority. Interference can occur when someone is flying with a video camera on the fixed wing side of the field unaware that they are using a video frequency being used by drone racers on the opposite side of the parking lot. These items must be addressed before any FPV Drone Racing activity convenes at the airfield.
Another aspect the committee will have to address is the FPV fixed wing flying which the Park has also approved. Bud hopes to be working on this in parallel with the FPV racing project. Bud will entertain volunteers who might like to man this new committee, but he is trying to keep the committee lean and mean in order to achieve timely results.
- **Safety:** – Steve Rosselot, no report. President Thompson pointed out that Ron Ratcliffe will be assuming the position of Safety Officer January 1.

- **Flight Instruction / Training:** – Bud Glass reports that three of his new students have joined the club, Dale & Joshua Cannon, Patrick O'Grady and Kevin Rogers. He reported on each student's progress.

• **Events:**

1. **I. C. Carb Day:** January 1, 2019, 7:00 a.m. Coffee and breakfast burritos will be served.
2. **January 2, 2019:** Club's general meeting.
3. **January 16, 2019:** Board of Director's meeting.
4. **Auction 2019:** Will be held on January 26, 2019.

Moments of Silence: President Thompson asked for a few moments of silence in memory of the passing of our 41st President and the upcoming December 7 anniversary of the bombing of Pearl Harbor.

Show and Tell: Craig Farthing showed his RC combat plane called the "Gnat". It is built of coroplast and can be built for about \$9.00. Using junk servos and a junk receiver he powers it with an inexpensive electric motor. The plane pulls a 20-25 foot streamer with the goal being to cut the other guy's streamer off. Craig also brought his three Scat Cat pylon racers similar to the ones he showed last month. One of them has a "V" tail rather than a vertical and horizontal stabilizer.

Programming: Larry Fagan

1. **January** - Larry Fagan showed a picture of Calvin Winder and his B777 model. 13 year old Calvin designed and built it from scratch. Calvin will present the steps to design and built this fantastic model.
2. **February** - TBA
3. **March** - TBA

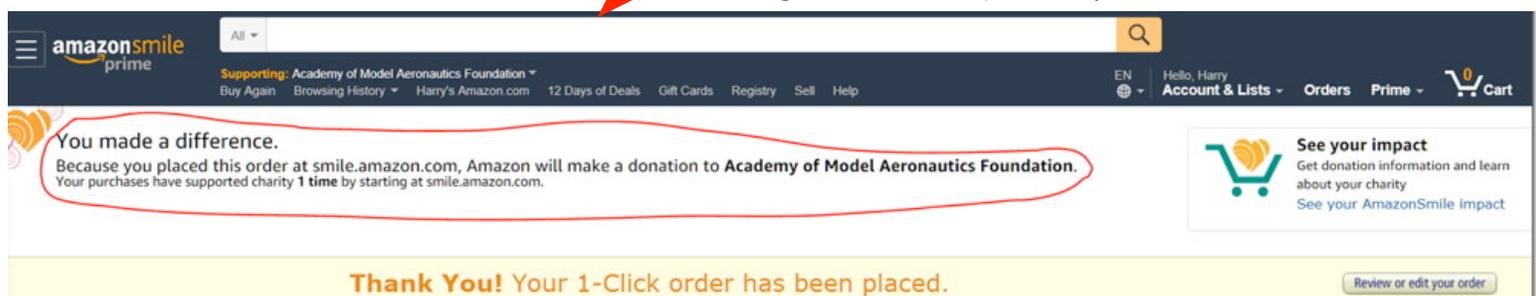

MOTION to ADJOURN: A motion to adjourn the meeting was made by Terry Hock and seconded by Dave Hock. The meeting was adjourned at 8:31 pm.

Respectfully submitted, Larry Fagan, Secretary.

Joint Amazon Smile, support the AMA submitted by Bud Glass

All, Are you aware of Amazon donating a portion of each purchase to AMA? You have to sign up (one time) for Amazon Smile, and from then on, they donate a portion of your purchase to the AMA Foundation. The price to the purchaser is the same. Everybody wins. - Bud

Click the link for more information.  [Give through AmazonSmile | Academy of Model Aeronautics Foundation](#)

The screenshot shows the Amazon Smile confirmation page. At the top, it says "amazon smile prime". Below that, it says "Supporting: Academy of Model Aeronautics Foundation". There are navigation links for "Buy Again", "Browsing History", "Harry's Amazon.com", "12 Days of Deals", "Gift Cards", "Registry", "Sell", and "Help". On the right, there are links for "EN", "Hello, Harry", "Account & Lists", "Orders", "Prime", and a "Cart" icon with "0" items. A large red circle highlights the text: "You made a difference. Because you placed this order at smile.amazon.com, Amazon will make a donation to Academy of Model Aeronautics Foundation. Your purchases have supported charity 1 time by starting at smile.amazon.com." To the right of this text is a "See your impact" section with a shopping cart icon and text: "Get donation information and learn about your charity. See your AmazonSmile impact". At the bottom, there is a yellow banner that says "Thank You! Your 1-Click order has been placed." and a button that says "Review or edit your order".

December 19, 2018 Jefco Aeromod'lers R/C Club Board Meeting Minutes

Meeting was called to order at 6:36 PM by President Peter Thompson.

Peter Thompson(P), Present	Lora Knowlton (Treas.), Present	Glenn Lee (BM), Present
Bud Glass (VP), Present	Ron Ratcliffe (Safety), Present	Josh Waltz (BM), Present
Larry Fagan (Sec), Absent	Hank Diepenbroek (BM) Present	Art Wilson (BM), Present

Guest: Josh Waltz – new At Large Board of Director (beginning January 2019)

President's Comments: No Report

New Business:

- **2019 Budget:** - Treasurer Lora Knowlton distributed the Club's Balance Sheet and the Profit & Loss vs. Actual report current through December 19, 2108. She also distributed a Proposed Budget comparing 2018 actuals and budget and proposed 2019 budget figures based on the 2018 results and feedback from board members. The proposed budget was quite comprehensive and covered three pages on a line by line basis.

A detailed discussion followed as the Board reviewed each line item. Ron Ratcliffe motioned that the proposed budget with some adjustments be presented at the January club meeting. Steve Rosselot seconded the motion and it passed unanimously.

Secretaries Report: Larry Fagan distributed copies of the November 29 BOD meeting minutes. He requested a motion for approval barring any corrections or additions to these minutes. Larry pointed out that Lora kindly stood in for him as secretary since he was unable to attend that meeting. A motion to accept the minutes as presented was made by Glenn Lee and seconded by Ron Ratcliffe. The motion carried.

Treasurer's Report: Lora Knowlton also distributed the regular monthly treasurer's report. Activity to date has been minimal. Larry Fagan motioned to accept Lora's report as presented. The motion was seconded by Ron Ratcliffe and carried.

Safety: Steve Rosselot, no report. Larry Fagan pointed out that Steve has been the Club's Safety Officer since December of 2014. President Thompson and the Board thanked him for his service.

Committee Reports:

- **Membership Report:** Lora Knowlton reported membership renewals pouring in – both in mail and online forms. She stated that she will have 2019 stickers for the name badges of those who have renewed at the January club meeting.
- **Field Maintenance & Runways:** Bud Glass reported that former club member Paul Fields donated 3 walkie-talkies to the Club.
- **Flight Instruction / Training:** Bud Glass reported that he has no new students.

- **Long Range Planning Committee (LRPC):** President Thompson would like to set up a meeting with the LRPC to bring the Board up to date with the Shea Homes project. Bruce Ream has made several exciting announcements on behalf of the LRPC, and President Thompson it feels it would be appropriate to ensure the Board is fully up to date on this important project, especially in view of the number of changes in positions of the Board members next year.

- **Auction:** Lora Knowlton reports that auction flyers are out and emails blasts will start soon. President Thompson reports that Bruce Robson and Steve McGill's son have volunteered to be auctioneers. He will start actively assigning volunteers to positions after the first of the year.

Events:

- **I. C. Carb Day:** January 1, 7:00 A.M., Hot Coffee and Santiago's breakfast burritos will be provided.
- **Auction:** The auction will be held on January 26, 2019 at the Arapahoe County Fairgrounds, 25690 E Quincy Avenue, Aurora, CO 80016. Setup will be Friday, January 25.
- **Programs:**
 - **January** - Calvin Winder, designing and building a B777 from scratch.
 - **February** - Craig Farthing, cutting foam wings.
 - **March** - Terry Hock, receiver range testing or lipo battery resistance measurement.
 - **April** - Mini Auction.

State Park Fees to increase in 2019 - Bud Glass reported that he has received an email from Kris Wahlers, Operations Manager, Chatfield State Park with a list of updated prices for 2019. For example, a daily park pass will be \$9/vehicle, an annual pass \$80/vehicle (\$40 multiple) and the Aspen Leaf Annual Pass (for ages 64+) will be \$70/vehicle (\$35 multiple). He also states that "All passes, reservations, and fees paid before January 1st will be honored."

Motion to Adjourn: A motion to adjourn the meeting was made by Ron Ratcliffe and was seconded by Larry Fagan. The meeting was adjourned at 8:30 P.M.

Respectfully submitted,
Larry Fagan, Secretary.

November 21, 2018 Jefco Aeromod'lers R/C Club Board Meeting Minutes

Meeting was called to order at 6:35 PM by President Peter Thompson.

Peter Thompson(P), Present	Lora Knowlton (Treas.), Present	Glenn Lee (BM), Present
Bud Glass (VP), Present	Ron Ratcliffe (Safety), Present	Josh Waltz (BM), Present
Larry Fagan (Sec), Absent	Hank Diepenbroek (BM) Present	Art Wilson (BM), Present

Guests: Josh Waltz – new At Large Board of Director (beginning Jan 2019) and Terry Hock – Auction Support Team.

PRESIDENT'S COMMENTS: Tonight's meeting will be focused entirely on the club's Annual RC Auction, scheduled for Saturday, January 26, 2019 at the Arapahoe County Fairgrounds.

AUCTION: Lora Knowlton provided a comprehensive agenda of discussion items. Overall, the group felt strongly that the 2019 event must offer something new and different for customers, to help keep the event fresh and energized.

All areas of the event were discussed and reviewed in detail: administration, schedule, fees, format and procedures, advertising/marketing, merchant processing, computers, supplies, logistics and hospitality.

The highlight of the discussion was the design and implementation plan for the event's new Silent Auction. In an effort for all items to be available to more customers, all items will be eligible for the Silent Auction from 8am – 10am. As required, all items will be labeled with a "STARTING BID/BUY-IT-NOW" price. Buyers will bid on one or more items (no limit!) with written bids. At 10am, the silent auction will close and the winning written bid is secured. After the Silent Auction closes, all remaining items may still be purchased at the

"STARTING BID/BUY-IT-NOW" price. No limit to the number of items that can be purchased at any one time at the "BUY-IT-NOW" price.

There was also discussion regarding a proposed "Recycle Table" area. In concept, this would be an area for customers to donate their "junk" to the Club. In turn, the Club would minimally price these items (\$1, \$2 or \$5) for general customer resale. However due to security and logistical concerns, the group decided to table this idea for the future and to focus on the new Silent Auction and improving the existing areas of the event.

ADJOURN: Art Wilson made a motion to adjourn the meeting. Hank Diepenbroek seconded the motion. All board of directors were in favor of the motion. Meeting adjourned at 8:40pm.

Respectfully Submitted (in Secretary Larry Fagan's absence),

Lora Knowlton,
Treasurer

Safety Spotlight

Submitted by Ron Ratcliffe, 2019 Safety Officer

Happy New Year fellow pilots!

The Field Safety and Operations Manual has been out of print for some time now. Lora will be printing up some 2014 version manuals so I can have something to put out at the kiosk.

The manual follows the AMA manual. We all checked the box agreeing to follow the safety rules when we signed up or renewed our membership. Check 'em out.

One concern brought to my attention is members doing high speed passes down the center of the runway. No passes of any kind are allowed over the runway period. Pilots are to fly at least 25 feet beyond the outer edge of the runway.

The board will be updating the safety manual. Let us hear from you if you have any suggestions.

Let's make this a fun and safe year.

Ron

A graphic with a red background and a yellow oval in the center. Inside the oval, the words "Volunteer Now!" are written in a large, bold, black sans-serif font.

ONE DAY
AUCTION!**

VISIT WWW.JEFFCOAEROMODLERS.COM TO PRE-REGISTER

NEW THIS YEAR! SILENT AUCTION - 8AM – 10AM – in an effort for all items to be available to more customers, all items are available in the Silent Auction from 8am – 10am. As required, all items will be labeled with a "STARTING BID/BUY-IT-NOW" price. Buyers can bid on one or more items (no limit!) with handwritten bids. At 10am, the silent auction will close and the winning written bid is secured for each individual item. After the Silent Auction closes, all remaining items may still be purchased at the "STARTING BID/BUY-IT-NOW" price through the auction. There is no limit to the number of items that can be purchased at any one time at the "BUY-IT-NOW" price after the Silent Auction.

BASIC INFORMATION FOR SELLERS:

- When you arrive at the auction, leave your items in your vehicle - come inside and check in first.
- A \$15 Buyer/Seller registration fee will be charged on-site at check-in if you did not pre-register before January 18.
- \$5 or 15% to the Jefco Aeromod'lers Club #176 will be retained for each item sold (whichever is greater).
- All items and/or money owed must be collected/paid for by 3pm on Saturday, January 26.
- Items not collected or paid for by 3pm on Saturday will be deemed a DONATION to the Jefco Aeromod'lers Club.
- Payments to sellers will be made via club check - NO CASH will be paid out.
- **NO CHECKS WILL BE MAILED.** You must be present at the auction to receive your check payment.
- All items must have a realistic value of at least \$25. Several items of lesser value may be grouped together for a combined value of \$25.
- Acceptable items include RC hobby-related items such as airplanes, jets, cars, helicopters, gliders, radios, engines, FPV items, tools, aviation-related items. No magazines, fuel or junk! All glow/gas powered models must have all fuel removed from tank and fuel lines. We reserve the right to reject items for sale that do not meet auction standards. Small or grouped items should be in clear plastic bags and stapled shut when practical.
- Two Prices are required for each item:
 1. **MINIMUM PRICE** – all items for sale **MUST** list a MINIMUM price, no lower than \$25. The MINIMUM should be set to the lowest price that the Seller is willing to accept during the auction event. When the item goes up on stage for auction, no item will be sold for less than the minimum specified - without the seller's approval. If there are no offers of, at least, the specified minimum bid the item will be sent to a PASS Table.
 2. **BUY-IT-NOW - NEW THIS YEAR!** – all items for sale must list a Starting Bid/Buy-It-Now price, allowing all items for sale to be eligible in the silent auction or purchased before going to the auction block. The STARTING BID/BUY-IT-NOW price is set above the minimum and is set at a level that the Seller feels the item will sell at: 1) as a starting bid at the silent auction or 2) prior to the live auction. This allows those buyers the opportunity to acquire an item that the seller feels is a fair price. STARTING BID/BUY-IT-NOW prices may not be added or changed after an item has been checked in. There is no limit to the number of items that can be purchased at any one time at the "BUY-IT-NOW" price after the Silent Auction.
- **THIS IS A ONE-DAY AUCTION ONLY. AT THE CONCLUSION OF THE EVENT – 3PM SATURDAY: ALL UNSOLD ITEMS and NEWLY PURCHASED ITEMS MUST BE PICKED UP, PAYMENTS FOR PURCHASES MUST BE MADE AND CHECKS FOR SOLD ITEMS MUST BE PICKED UP.**

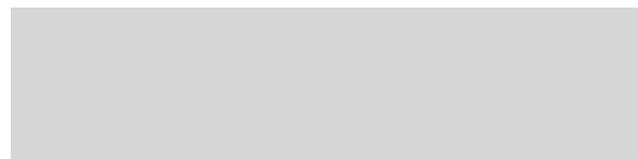

BASIC INFORMATION FOR BUYERS:

- ALL SALES ARE FINAL. NO RETURNS OR EXCHANGES.
- BUY-IT-NOW items will have a **\$5 transaction fee** added to the cost at checkout paid by the buyer.
- Buyers will be charged local sales tax of 4.25% at time of checkout.
- Only CASH or CREDIT CARD payment will be accepted - No Checks!
- **PICK UP AND PAY FOR YOUR ITEMS NO LATER THAN 3PM SATURDAY, JANUARY 26!**

If you anticipate selling a large number of items or have any questions, contact Pete Thompson, Auction Coordinator at 720-329-6005 or JefcoRCAuction@gmail.com

2	Business Meeting	20	Board Meeting	20	Board Meeting
16	Board Meeting				
25 - 26	Auction 2019				

Business meetings: First Wed. night of each month. Meetings are called to order at 07:00 P.M, programs to follow, at the Alice Terry Elementary School at 4485 S. Irving Street, (located approximately 1/4 mile away from the previous middle school location). Board meetings are held the third Wed. night of each month, 06:30 P.M. If you wish to attend, contact President Peter Thompson in advance.

*The BOD has approved the **Field Safety & Operations Manual**. All members should review this document in the club's website www.jeffcoeromodlers.com for the latest rules and regulations.*

Views and or opinions expressed in this newsletter are those of the editor, staff, and writers of articles submitted. They may or may not be those of the Jefco membership, club officers, or board members.
